Forecast for Monday 22 Aug 2022

Weather: Generally settled with partly cloudy skies allowing clear then bright and sunny spells, while the vast majority stay dry. However perhaps the odd light shower may appear across western ranges.

Chance of cloud-free hill tops above 800m: 95% plus

Low cloud and visibility: Generally very good becoming moderate in any light showers, also very poor within cloud with bases infrequently lowering to 700m in any showers.
